

Facility Visitation Plan

- Visitors must be screened on arrival to facility.
- **Visitation is available at all times/ indoor**
- Updates will be available on our website
www.littlenecknursing.com/visitor-info/
- Facility will encourage social distancing
- All visitors are encouraged to wear a face mask at all times, must have their temperature taken upon arrival at the reception desk. Visitors must respond appropriately to the electronic Covid-19 screening questions asked and supply information for entry into the kiosk maintained at the reception desk.
- If they fail screening criteria infection preventionist shall be notified and / or visitation may be restricted
- Hand sanitizer will be available for visitors and residents
- Face time visits will still be offered.
- It is important that visitors properly follow visitation guidelines to ensure a safe visit for their loved ones and to protect other residents and our front-line workers.

We thank you for your continued patience and support during this unprecedented time. The Facility continues to vigorously follow all CDC, CMS and NYSDOH guidelines to protect our residents and their well-being. We will continue to update our website with any additional recommendations and requirements of the NYSDOH and CMS.
